

**Remarks**

Applicant appreciates the careful examination given to the Application as reflected in the Office Action mailed on March 16, 2009 and the Notice of Non-Compliant Amendment mailed June 16, 2009.

Claims 1, 2, 8-10, 12, 15, 17, 18, 20-23, 28, 29, 32, 34, 36, 40, 46, and 48-50 are pending.

Claims 40 and 46 stand allowed.

Claims 1-39, 41-45, and 47-51 have been cancelled.

***Drawings***

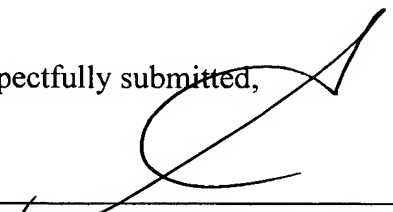

Applicant has amended all drawings to be in compliance with C.F.R §1.84. Every line, number, and letter is now sufficiently dense and dark and uniformly thick and well-defined. The weight of all lines and letters are heavy enough to permit adequate reproduction. All numbers, letters, and reference characters measure at least 1/8 inch in height and do not interfere with comprehension of the drawing. Applicant has properly located the identifier "Replacement Sheet" in the top margin of all thirty-one (31) pages of amended drawings.

**Conclusion**

In view of the foregoing, Applicant respectfully submits that the application, as presently amended, is in condition for allowance. Applicant has cancelled the rejected claims. Allowance of the remaining claims is gratefully acknowledged.

Respectfully submitted,

Date: June 29, 2009
